

BIO: Dr. Carmen Harra

I was born in a northern region of Romania known as Transylvania. Growing up, I became fascinated with the ancient teachings of Kabbalah, the mesmerizing science of numerology, and the remarkable ability of the mind to transcend linear time and predict the future. I was also greatly captivated by the possibility of communicating with those who have passed on. Though a renowned singer throughout Europe during my youth, I decided to extend my knowledge and graduated Babes-Bolyai with a degree in philosophy and one in philology.

I first came to America because of a singing contract, but soon realized that I was destined to remain here permanently and pursue a very different career as a metaphysical intuitive and counselor. I decided to sharpen my metaphysical skills by attending Albert University and earning a Ph.D. in Hypnosis and Alternative Healing. Afterwards, Afterwards, I attained a Ph.D. in Clinical Psychology from Somerset University and began to write my first book, *Everyday Karma*.

As a metaphysical intuitive, I have made many successful predictions privately and publicly. I have been featured in the New York Times, New York Post, New York Daily News, Vogue, New York Magazine, US Weekly, V Magazine, and Elle Magazine. I have appeared on the following TV programs: Good Morning America, The View, Fox News, The Today Show, The CBS Early Show, What's the Buzz on ABC, Telemundo, America Vive, Channel 11 Morning Show, Good Day New York, NBC 10, QVC (with my own jewelry line), Happy Hour on ProTV International. I was also given my own TV show in Romania on ProTV International, called "Happy Hour Special with Carmen Harra." I have been featured on QVC since 2003 and am currently working on a new jewelry line.

Over the last three years, I have hosted my own radio shows on Sirius Satellite, HealthyLife Network, and Contact Talk Radio, where I currently host the show "Decoding Your Destiny. I have also been featured on Barbara Walters' radio show. I have been fortunate to meet (and even coach some) members of the elite Hollywood circle, including Candice Bergen, Jennifer Lopez, Whoopi Goldberg, Ben Affleck, Liza Minnelli, Kathy Najimi, Caroline Rhea, Jerry Springer, Denise Rich, and Courtney Cox.
